

Adele Bianco (PhD) is Professor of General Sociology at the University "G. d'Annunzio" of Chieti-Pescara. With an international background spanning Germany, Denmark, Bulgaria, and Kosovo, her research focuses on German classical social theory (Simmel and Elias), globalization, technological innovation and space studies. Before her academic career, she spent a decade as civil servant, working at the Ministry of Labour, at the Public Employment Service of the Province of Rieti and as a EURES Adviser for the European Commission, specializing in labor and employment policy.
